CHICAGO POLICE DEPARTMENT

001st District

SECTION 1 – PROBLEM SOLVING PRIORITIES

Determine and define three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

PROBLEM SOLVING PRIORITY #1				
Scanning	Priority Title	Motor Vehicle Theft & Vehicular Hijacking		
	Priority Type	<input checked="" type="checkbox"/> Violent Crime	<input checked="" type="checkbox"/> Property Crime	<input type="checkbox"/> Quality of Life
	Source	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input checked="" type="checkbox"/> DAC Meetings
	Check all that apply	<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings
Analysis	Rationale	<p>The 1st District has seen a dramatic increase in the number of vehicles being stolen. YTD we have seen a 67% increase in Motor Vehicle Theft and a 34% increase in Vehicular Hijackings. This crime creates both financial loss and loss of personal safety for the victims. It was determined Beat 123 and 131 are most affected. In the first 3 Quarters of 2021, these beats had 120 Motor Vehicle Thefts and 12 Vehicular Hijackings.</p>		
	Problem Analysis	<p>1. Who is / are the victim(s)?</p> <p>The victims are unsuspecting vehicle owners and drivers.</p>		
		<p>2. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc.</p> <p>The offenders typically look for vehicles that are not properly secured or have inattentive drivers. The offenders will often use these vehicles to commit additional crimes.</p>		
		<p>Typical Time of Day (select all that apply):</p> <p><input checked="" type="checkbox"/> 1st Watch <input checked="" type="checkbox"/> 2nd Watch <input checked="" type="checkbox"/> 3rd Watch</p>		
Response	Root Cause Analysis	<p>Offenders target this area due to many vehicles being quickly driven in and out of the area. This creates an opportunity for the offenders to strike when someone is running into a business without securing their vehicle or when waiting for someone to come out of a business.</p>		
	Response Strategy	<p>Non-enforcement response (required):</p> <p>Community Policing Officers will pass flyers out in the affected areas providing tips on how to prevent these thefts. Social media will also be utilized to help spread the word. Officers will work with food delivery personnel to encourage the drivers to secure legal and safe parking prior to leaving their vehicle unattended.</p>

enforcement strategies must be included.	Enforcement response (if applicable): Tactical Officers will conduct missions in the area. Enforcement of parking violations and unattended vehicles will be strictly enforced. Additionally, suspicious activity will be investigated. Watch personnel will issue citations for illegally parked vehicles and unattended vehicles left running. The SDSC Room will utilize cameras in the area to watch for unattended vehicles and relate this information to field Officers.		
Root Cause Mitigation <i>Explain how the Response Strategy directly addresses the root cause that was analyzed above.</i>	By making it more difficult for offenders to steal vehicles, the number of total cases will decrease. This will be accomplished by both public outreach initiatives and enforcement action. Additional Police resources in the area will act as a strong deterrent.

	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	<p>Robberies have been a chronic problem in the 001st District, especially on Beat 123 and 113. Robbery is a violent crime which causes psychological distress, financial loss, can lead to physical harm, and decreases the perception of personal security. Beat 123 and 113 lead the district in robberies. Year to date in 2021, Beat 123 has had 47 robberies and Beat 113 has had 38. In 2020, Beat 123 had 53 robberies and Beat 113 had 28, during the same period. Although the numbers on Beat 123 had a slight decrease in 2021, they are still the highest in the District.</p>			
Analysis	Problem Analysis <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	<p>4. Who is / are the victim(s)? The robbery victims are often unsuspecting commuters, visitors to the area and students.</p>

	<p>Response Strategy <i>Describe the overall approach that will be taken to solve the problem, based on the Analysis completed above. Non-enforcement strategies must be included.</i></p>	<p><i>Non-enforcement response (required):</i> 1st District Community Policing Officers will engage in an awareness campaign on best practices to avoid becoming a victim of robbery. This will include passing out flyers to those in the most affected areas, posting on social media, and discussing the issue at beat and other community meetings. Watch Personnel will conduct CTA platform checks to deter them from being used as escape routes.</p> <p><i>Enforcement response (if applicable):</i> 1st District Tactical teams will conduct Robbery Missions in this area in an attempt to look for suspicious activity and apprehend suspects. These missions will also bring additional resources to the area which acts as a deterrent. Watch Personnel will maintain beat integrity to also help with enforcement when needed. SDSC (camera room) will also conduct missions in this area, and relate in real time to street Officers, any suspicious activity.</p>		
	<p>Root Cause Mitigation <i>Explain how the Response Strategy directly addresses the root cause that was analyzed above.</i></p>	<p>An increase in police visibility and citizens using best safety practices will create a less favorable environment for would be robbery offenders. 	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	The Motor Row area within the 1 st District is a vibrant and growing neighborhood. With this expansion, we have seen an increase in the amount of shootings and disturbances. YTD we have had 9 documented shootings, compared to only 3 for the same time frame in 2020. Every shooting incident sends fear throughout the community. Nobody wants to live or visit an area in which they don't feel safe. Additionally, we have seen a dramatic increase in complaints regarding loud noises, drinking on the public way and parking/traffic concerns.						
Analysis	Problem Analysis <i>Explain the problem by describing each of the listed elements. SECTION 2 – COMMUNITY ENGAGEMENT PRIORITIES

List the District's top priority engagement activities for the year for each of the listed populations. Engagement activities should be listed in rank order from highest to lowest priority. List at least one, and no more than three, high priority engagement activities for each population.

COMMUNITY ENGAGEMENT PRIORITIES				
Youth High Priority Engagement Activities <i>List at least one (no more than 3)</i>	Priority #1: <i>Describe the engagement</i> Officers will engage with our CPD Youth Explorers in sports programs (bowling, bicycling and basketball). They will also host virtual and or in person cooking events/contests. These engagements will be done to bridge the gap between the police and the community.	<i>Select only one; if co-created a partner must be listed</i> <input checked="" type="checkbox"/> CPD-Driven <input type="checkbox"/> Community-Driven <input type="checkbox"/> Co-Created with _____	<i>Why is this engagement activity a high priority for the District?</i> This engagement is a high priority because it allows the youth to see police officers as people and not just the officers they see in uniform. It is also an opportunity to discuss issues plaguing them on a day to day basis.	<i>What role will non-Community Policing Personnel (Watch, Tactical/Specialized Units, etc) play in the engagement?</i> Tactical teams and officers assigned to the watch will participate in these engagements when available.
	<i>Who is the District Point of Contact for this engagement?</i> Youth Liaison Officer Dakari Jackson#17509.		<i>Why was this individual selected as the Point of Contact for this engagement?</i> Officer Jackson is the Youth Liaison Officer.	
	Priority #2: <i>Describe the engagement</i> Partner with other Youth Groups within the District.	<i>Select only one; if co-created a partner must be listed</i> <input type="checkbox"/> CPD-Driven <input type="checkbox"/> Community-Driven <input checked="" type="checkbox"/> Co-Created with _____ Community Youth Groups	<i>Why is this engagement activity a high priority for the District?</i> Working with other established groups allows us to reach more youth and build positive relationships. We want the youth to understand that we are here to support them if needed.	<i>What role will non-Community Policing Personnel (Watch, Tactical/Specialized Units, etc) play in the engagement?</i> The tactical teams and watch officers will assist in various activities once they are established. This will not only benefit the youth, but also the Officers. When Officers build relationships with community members, they have a better understanding on how best to serve them.
