### 015 District

#### SECTION 1 – PROBLEM SOLVING PRIORITIES

Outline one to three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

#### PROBLEM SOLVING PRIORITY #1

Scanning	<b>Priority Title</b>	Shootings- Gang Violence			
	<b>Priority Type</b>	<input checked="" type="checkbox"/> Violent Crime		<input type="checkbox"/> Property Crime	
	<b>Source</b> <i>Check all that apply</i>	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input type="checkbox"/> DAC Meetings	<input type="checkbox"/> Resident Survey Data
		<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings	<input type="checkbox"/> Other: _____
	<b>Rationale</b> <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	<p>From 1 Jan 2021 to 30 Sep 2021, aggravated batteries with a firearm and homicides accounted for the majority of violent incidents within the 015<sup>th</sup> District. The district has seen a significant decrease in Homicides and Aggravated batteries from the previous year.</p> <p>Beat 1511 had a significant decrease in Homicides and Aggravated Batteries from the prior year Beat 1512 showed a decrease in homicides and Aggravated Batteries.</p> <p>Beat 1513 had an increase in homicides and Aggravated Batteries. Beat 1532 had a 50 % increase Beat 1511 (36 % Increase) Beat 1533 showed a 75% increase in homicides and a 13.6% decrease in aggravated batteries.</p>			
<b>Problem Analysis</b> <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	<p>1. Who is / are the victim(s) The victims are rival gang members from various gang factions operating within the 015<sup>th</sup> and 25th District and innocent victims ranging from 12 years of age and up.</p>				
	<p>2. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc The offenders are using vehicles and semi-automatic/assault rifles to carry out these crimes. The method of escape is on foot or an awaiting vehicle.</p>				
	<p>Typical Time of Day (select all that apply):</p> <p><input checked="" type="checkbox"/> 1<sup>st</sup> Watch      <input checked="" type="checkbox"/> 2<sup>nd</sup> Watch      <input checked="" type="checkbox"/> 3<sup>rd</sup> Watch</p>				
<b>Root Cause Analysis</b> <i>Identify potential root causes of the problem that, if mitigated, would prevent</i>	<p>3. What is the location of this criminal activity? Use street names to delineate the boundaries below:</p> <ul style="list-style-type: none"> <li>• Eastern Boundary: Cicero Avenue (4800 West)</li> <li>• Western Boundary: Long Avenue ( 5400 West)</li> <li>• Northern Boundary: Race Avenue (526 North)</li> <li>• Southern Boundary: Van Buren (400 South )</li> </ul>				
	<p>There are gang conflicts throughout the 015<sup>th</sup> that carry on from the 11<sup>th</sup> district. The conflict is over narcotics sales and currency. The offenders are arming themselves while soliciting the sale of narcotics and as a result innocent lives are being taken. Addressing the issue head-on and getting the community to participate and be more invested in the court cases from these crimes will possibly reduce the number of shootings in the district.</p>

Response	the problem from re-occurring. Be as specific as possible.			
	<b>Response Strategy</b> Describe the overall approach that will be taken to solve the problem, based on the Analysis completed above. <b>Non-enforcement strategies must be included.</b>	<p><i>Non-enforcement response (required):</i> Reduce calls for service and activity related to shootings and gang activity through beat integrity, increased foot patrols, and utilizing SDSC room and PODS to identify individuals and patterns of activity. Utilize outreach teams, target areas, and A.R.T. Outreach will attempt to interrupt, mitigate, and resolved conflicts, new and old.</p> <p><i>Enforcement response (if applicable):</i> The 015<sup>th</sup> District will monitor calls for service regarding shots fired and gang and narcotic loitering. Conduct outdoor roll calls along with curfew and other related missions and utilize the Intradepartmental Service Request forms to request outside units assistance in areas which aggravated batteries with a firearm and homicides have occurred. Continue the Blue Focused Missions in Hot Spot Areas.</p>		
	<b>Root Cause Mitigation</b> Explain how the Response Strategy directly addresses the root cause that was analyzed above.	The non-enforcement response will consist of positive loitering/smoke outs, community outreach and preventive programs to foster new relationships with community members. The enforcement response will consist of monitoring calls for service, examining reported aggravated batteries with a firearm and homicide incidents, outdoor roll calls, conduct post shooting missions and other related missions. Information will be disseminated to both patrol and tactical personnel with gun related information as well as intelligence regarding potential gang conflicts and persons of interest

		<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings	<input type="checkbox"/> Other: _____							
	<b>Rationale</b> <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	Gang and Narcotic Loitering calls for service has seen a 170% increase from the prior year. Gang and Narcotic Loitering call for service remain a leading concern of calls for service in the district. Heavy volume of loitering that occurs in front of local businesses and residences is a leading prominent concern from community stakeholders. Narcotics loitering is related to and associated with the violence in the district making it a high priority for community and public safety.										
<b>Analysis</b>	<b>Problem Analysis</b> <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	<ul style="list-style-type: none"> <li>Who is / are the victim(s) The Victims are community stakeholders, business owners and their staff.</li> </ul>										
		<ul style="list-style-type: none"> <li>Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc..</li> </ul>										
		Gang and Narcotic loitering in the hot spot areas can deter customers. Businesses are struggling to combat the gang and narcotic loitering activity The strategy the department utilizes to combat this issues conforms to the Municipal Code of Chicago for loitering.										
		<i>Typical Time of Day (select all that apply):</i>		<input checked="" type="checkbox"/> 1 <sup>st</sup> Watch	<input checked="" type="checkbox"/> 2 <sup>nd</sup> Watch	<input checked="" type="checkbox"/> 3 <sup>rd</sup> Watch						
<b>Response</b>	<b>Root Cause Analysis</b> <i>Identify potential root causes of the problem that, if mitigated, would prevent the problem from re-occurring. Be as specific as possible.</i>	3. 		The narcotic activity occurring is due to the offenders having the advantage of being able to conduct illegal narcotic sales on the street at all times of the day and night. Offenders target property locations that are abandoned, vacant lots and in front of businesses. The offenders take over private locations to conduct, sell and hide narcotics.										
		<i>Non-enforcement response (required):</i>  The 015 <sup>th</sup> District will work collectively with Bureau of Patrol to request and serve custom notifications for known gang members of different factions who are involved in with the narcotic sales. In addition, the 15 <sup>th</sup> District Community Policing Office, along with the Troubled Building Officer, will identify problematic vacant lots that are being utilized to hide and sell narcotics and complete city service requests requesting a bulk clean up. Continue working the businesses to enlist in the Criminal Trespass Affidavit program in the hot spot areas.										
		<i>Enforcement response (if applicable):</i>  015 <sup>th</sup> District Gang/Tactical Unit will conduct surveillances, POD and other related missions that will target affected locations, with buyers, lookouts and sellers.										
	<b>Root Cause Mitigation</b> <i>Explain how the Response</i>
