

District: 010Year: 2023**SECTION 1 – PROBLEM SOLVING PRIORITIES**

Determine and define three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

PROBLEM SOLVING PRIORITY #1

	Priority Title	Homicides				
	Priority Type	<input checked="" type="checkbox"/> Violent Crime		<input type="checkbox"/> Property Crime	<input type="checkbox"/> Quality of Life	
	Source <i>Check all that apply</i>	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input type="checkbox"/> DAC Meetings	<input type="checkbox"/> Resident Survey Data	
Scanning		<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings	<input type="checkbox"/> Other: _____	
	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	Through a comprehensive search of crime data, case reports and community input, it was determined that homicides are a concern and the quality of life within the community has put a toll on the community. YTD there has been 35 homicides compared to 57 last year which is 38.6% less than the year before. Although we made progress in this area we still have lots of work that needs to be done.				
Analysis	Problem Analysis <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	1. Who is / are the victim(s)?				
		The victims tend to be teenagers to young adult males, who are particularly associated with gangs				
		2. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc.				
		Offenders tend to be motivated by gang territory and intrusions of narcotic sales. Hand guns and assault rifles are commonly used as choice of weapon when committing these crimes. Their usual means of transportation to commit homicides are in a motor vehicle, which many have been stolen.				
		Typical Time of Day (select all that apply):		<input checked="" type="checkbox"/> 1 st Watch	<input checked="" type="checkbox"/> 2 nd Watch	<input checked="" type="checkbox"/> 3 rd Watch
		3. What is the location of this problematic activity? Use street names to delineate the boundaries below:				
		<ul style="list-style-type: none"> • Eastern Boundary: Wood • Western Boundary: Kostner • Northern Boundary: Roosevelt Rd. • Southern Boundary: 32nd St.

Response	Root Cause Analysis <i>Identify potential root causes of the problem that, if mitigated, would prevent the problem from re-occurring. Be as specific as possible.</i>	There are several ongoing gang conflict within the 10 th District but also encompasses neighboring districts. Possibly by reducing the gang conflict over territory and narcotics, may help reduce the homicides in the district.		
	Response Strategy <i>Describe the overall approach that will be taken to solve the problem, based on the Analysis completed above. Non-enforcement strategies must be included.</i>	Non-enforcement response (required): High police patrol visibility including foot patrol and positive community interactions, in collaboration with community members and faith leaders. Special attentions in those affected areas where gang and narcotics crime occur that lead into our homicide rate.		
		Enforcement response (if applicable): Increased police patrol presence by utilizing outside resources and district tactical teams within the affected areas. Missions will be created to combat crime and also focus on gang activity and drug sales. District intelligence officers will also seek information by community members and work with officers who gained intelligence from outside resources.		
	Root Cause Mitigation <i>Explain how the Response Strategy directly addresses the root cause that was analyzed above.</i>	Root cause for crimes that are ongoing within the district are caused from conflicts that stem from generational gang affiliation and conflict, environment and culture. In coordination with the community organizers and all the residents it is imperative to be in constant communication with the community by providing them with safety tips and resources for assistance on how to separate themselves from gangs and narcotics.
