CHICAGO POLICE DEPARTMENT

District: 020Year: 2023

SECTION 1 – PROBLEM SOLVING PRIORITIES

Determine and define three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

PROBLEM SOLVING PRIORITY #1

Scanning	Priority Title	Theft from Vehicles		
	Priority Type	<input type="checkbox"/> Violent Crime	<input checked="" type="checkbox"/> Property Crime	<input type="checkbox"/> Quality of Life
	Source <i>Check all that apply</i>	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input type="checkbox"/> DAC Meetings
		<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings
Analysis	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	District 020 has seen an increase in theft from auto incidents. Many of these incidents have involved the theft of catalytic converters. 2022 saw a 58% increase in thefts from vehicles from 2021 on beats 2011 and 2031.		
	Problem Analysis <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	<p>1. <i>Who is / are the victim(s)?</i></p> <p>Victims are local residents who have cars parked in the area and who have experienced damage to their vehicles and items taken.</p>		
		<p>2. <i>Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc.</i></p> <p>Offenders have toured area in vehicles and on foot to locate unsecure vehicles with property lefts in vehicles. In relation to Catalytic Converter Thefts, offenders tour area in vehicles and park along parked vehicle and exit with power tools and quickly remove the vehicles catalytic converter and make good their escape.</p>

Residents and complainants will be encouraged to participate in Court Advocacy programs to follow up with any arrests made. Encourage increased participation in beat meetings and the creation of block clubs and/or phone trees with neighbors. Use Social Media platform to share prevention tips to lower possibility of being victimized.</p> <p><i>Enforcement response (if applicable):</i></p> <p>20th District Tactical Teams will conduct focused patrol during the identified times. The identified watches will determine the window of time when the theft occurs on their watch for focused patrol and beat integrity as often as possible. District personnel will work with residents in order to recover any potential video evidence for further investigation. Custom Notifications will be scheduled for any identified offenders as a way to show that social services are available for those who are trying to find a way out of the criminal lifestyle. SDSC personnel will conduct POD camera missions. When feasible, the 020th District will conduct traffic missions in areas that have seen an increase in catalytic converter thefts.</p>		
	<p>Root Cause Mitigation <i>Explain how the Response Strategy directly addresses the root cause that was analyzed above.</i></p>	<p>Response strategies will address the root causes by having the police work together with the community to identify and remove offenders from the streets. Social Service agencies and faith based partners will provide potential opportunities for offenders to leave the gang life by providing vocational and educational opportunities, along with counseling and support. 020th District will request the cooperation of the aldermanic offices for the installation of POD Cameras and License Plate Reader Cameras in areas that have seen the greatest spikes in thefts from vehicles.</p>
