

Community-Driven Approaches to Crime Reduction - District Strategic Plan

CHICAGO POLICE DEPARTMENT

District: 011

Year: 2024

SECTION 1 – PROBLEM SOLVING PRIORITIES

Determine and define three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

PROBLEM SOLVING PRIORITY #1				
Scanning	Priority Title	Narcotic Sales/Calls For Service		
	Priority Type	<input checked="" type="checkbox"/> Violent Crime	<input type="checkbox"/> Property Crime	<input checked="" type="checkbox"/> Quality of Life
	Source <i>Check all that apply</i>	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input type="checkbox"/> DAC Meetings
		<input type="checkbox"/> Crime Data	<input type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings
		<input type="checkbox"/> Resident Survey Data		
	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	<p>Narcotic sales and loitering calls for services on the following beats: 1111, 1112, 1121 are heavily inundated with gang related activity and narcotic sales and loitering. The community has noted a heavy volume of narcotics related loitering in front of local businesses and residences. Narcotics sales and loitering has attributed to violence in the district making it a high priority for public safety and the leading concern of calls for service in the district.</p> <ul style="list-style-type: none"> • Beat 111 had 469 calls for service • Beat 1112 had 1361 calls for service • Beat 1121 had 770 calls for service 		
Analysis	Problem Analysis <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	<p>1. <i>Who is / are the victim(s)?</i></p> <p>The victims are community members, stakeholders, business owners, youth and other related individuals who frequent the 011th District.</p>		
		<p>2. <i>Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc.</i></p> <p>Businesses are struggling to combat loitering and narcotic sales, while potential sellers and loiters deter customers from patronizing businesses. The offenders convene on the public way as a result, community members are afraid to enter and leave their residences due to the high volume of foot traffic within the immediate proximity of their residences.</p>		
		<p>Typical Time of Day (select all that apply):</p> <p><input checked="" type="checkbox"/> 1st Watch <input checked="" type="checkbox"/> 2nd Watch <input checked="" type="checkbox"/> 3rd Watch</p>		
		<p>3. <i>What is the location of this problematic activity? 	Root Cause Analysis <i>Identify potential root causes of the problem that, if mitigated, would prevent the problem</i>	<p>Social economics issues, contribute to the illicit drug sales which often lead to gatherings for the sale and purchase of narcotics. The narcotic activity occurring is due to the offenders having the advantage of being able to conduct illegal narcotic sales on the street at all times of the day and night. Offenders target property locations to facilitate narcotics sales: abandoned properties, vacant lots,</p>

	<p>Response Strategy Describe the overall approach that will be taken to solve the problem, based on the Analysis completed above. Non-enforcement strategies must be included.</p>	<p><i>Non-enforcement response (required):</i> Community Policing and DCO's will hold drug and alcohol awareness and information forums. They will coordinate community events with partnerships of owners. Utilize outreach teams to assist with interrupting, mitigating, and resolving conflicts within the community by providing various community resources. The community organizer and the youth service coordinator will work together to increase volunteer participation, school participation, and community member participation at community resource fairs and workshops.</p>		
		<p><i>Enforcement response (if applicable):</i> Support Businesses and property owners by increasing premise checks and positive community interactions at properties. Address abandoned and vacant properties by working with city agencies to secure nuisance properties. Advise Business owners of the benefits of using the Criminal Affidavit Trespass Program. The 011th District Tactical Unit will work with the Bureau of Counterterrorism to reduce and prevent narcotics sales and loitering.</p>		
	<p>Root Cause Mitigation Explain how the Response Strategy directly addresses the root cause that was analyzed above.</p>	<p>Both law enforcement and the community will collaborate to address crime disorders and quality of life issues by coordinating with block clubs and neighborhood associations for neighborhood watches and community education campaigns relative to quality of life issues. Law enforcement will utilize a three-step approach to reduce calls for services:</p> <ul style="list-style-type: none"> • Transformation tactics (custom notifications and other social services). • Natural tactics (vacant lot clearing and other city service requests). • Enforcement tactics (tactical narcotic missions, enhanced deployments, and specialized units).

<p>Root Cause Analysis <i>Identify potential root causes of the problem that, if mitigated, would prevent the problem from re-occurring. Be as specific as possible.</i></p>	<p>There are ongoing internal gang conflicts within the 011th District boundaries that stem from surrounding districts' conflict. These conflicts are over various issues, including narcotics sales, currency, and social media disputes. The offenders are arming themselves with illegal weapons to protect their criminal enterprises. The individuals susceptible to participating in gang violence and narcotics trafficking tend to be facing several underlying life issues, leading them into this disruptive lifestyle. The lack of parenting, education, and knowledge of community resources are contributing factors. These individuals are also highly susceptible to drug and alcohol addiction along with mental health issues. Potential root cause are gang, social media and drug conflict.</p>

Analysis	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	The community members have spoken repeatedly during beat meetings as well as the district community conversations regarding loitering, unauthorized parties, large gatherings, and parking enforcement throughout the district. These violations over time cause an interruption in the standard of health, comfort, and happiness experienced by the community.			
	Problem Analysis <i>Explain the problem by describing each of the listed elements. Be as specific as possible.</i>	7. Who is / are the victim(s)? The victims are residents, community stakeholders, business owners, commuters, and all other pertinent individuals who frequents the different neighborhood communities.			
		8. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc. The offenders are often teenagers and individuals who do not live in the area but have an attachment to the area where the quality of life crimes are committed. Response	Root Cause Analysis <i>Identify potential root causes of the problem that, if mitigated, would prevent the problem from re-occurring. Be as specific as possible.</i>	The root cause of the quality of life offenses in the targeted areas is business owners renting venues to underage youth and residents having large gatherings in their residences or yards for profit. Most of the offenders committing the act live in the community and lose control of the gathering because the information was posted on open-source social media websites, attracting individuals from different neighborhoods. The key to preventing these large gatherings and unauthorized parties is educating the business owner and issuing citations to violators.			
	Response Strategy <i>Describe the overall approach that will be taken to solve the</i>	Non-enforcement response (required): The Business liaison officer will work with the business owners to ensure their licenses stay up to date and they have adequate security when they are hosting legal parties.
