

Community-Driven Approaches to Crime Reduction - District Strategic Plan

CHICAGO POLICE DEPARTMENT

District: 020

Year: 2024

SECTION 1 – PROBLEM SOLVING PRIORITIES

Determine and define three problem solving priorities for your District for the coming year, as identified by the community. Provide responses below to delineate how the District will apply the SARA model of problem solving to each priority. **Please ensure responses are specific and detailed.**

PROBLEM SOLVING PRIORITY #1

	Priority Title	Theft from Vehicles			
	Priority Type	<input type="checkbox"/> Violent Crime		<input checked="" type="checkbox"/> Property Crime	<input checked="" type="checkbox"/> Quality of Life
	Source <i>Check all that apply</i>	<input checked="" type="checkbox"/> Calls for Service	<input checked="" type="checkbox"/> Community Conversations	<input checked="" type="checkbox"/> DAC Meetings	<input type="checkbox"/> Resident Survey Data
		<input checked="" type="checkbox"/> Crime Data	<input checked="" type="checkbox"/> Community Interactions	<input checked="" type="checkbox"/> Beat Meetings	<input type="checkbox"/> Other: _____
Scanning	Rationale <i>Explain why this is a top priority for your district. Provide specific numbers for calls for service and/or crime data to support your explanation. Be as specific as possible.</i>	District 020 has continued to see a rise in thefts from vehicles, specifically the theft of catalytic converters. Although the 20th District saw a decrease in thefts from 2011's beat (63 incidents in year 2022 vs 40 incidents in year to date 2023), the 20th district saw an increase of incidents on 2031's beat (15 incidents in year 2022 vs. 38 incidents in year to date in 2023). The 20th District will continue their efforts to see decreases of incidents year after year.			
	Analysis	1. Who is / are the victim(s)? Victims are local residents who have parked in the area and who have experienced damage to their vehicles and items taken.			
2. Describe the methods / actions used by the offender (do not include demographic information). Include any identified patterns such as motives, types of weapons used to commit the crime, how they attempt to flee the scene of the crime, etc. Offenders have toured the area in vehicles and on foot to locate unsecured vehicles with property left in vehicles. In relation to catalytic converter thefts, offenders tour the area in vehicles and park along parked vehicles and exit with power tools and quickly remove the vehicle's catalytic converter and make good their escape.

Often, vehicles used in the commission of these crimes are reported stolen. LPRs will help locate and return vehicles to owners, as well as charging individuals in possession of these stolen vehicles. -Encourage businesses to enroll in OEMC Camera program. <p><i>Enforcement response (if applicable):</i></p> <ul style="list-style-type: none"> -20th District Tactical Teams will conduct focused patrol during the identified times. -The identified watches will determine the window of time when the theft occurs on their watch for focused patrol and beat integrity as often as possible, when feasible. -District personnel will work with residents in order to recover potential video evidence for further investigation. Intervention Connections will be scheduled for any identified offenders as a way to show that social services are available for those who are trying to find a way out of a criminal lifestyle. -SDSC personnel will conduct POD camera missions.
	<p>Root Cause Mitigation <i>Explain how the Response Strategy directly addresses the root cause that was analyzed above.</i></p>	<p>Response strategies will address the root causes by having the police work together with the community to identify and remove offenders from the streets. Social service agencies and faith based partners will provide potential opportunities, along with counseling and support. 20th District will request the cooperation of the aldermanic offices for the installation of POD cameras and license plate reader cameras in areas that have seen the greatest spikes in thefts from vehicles.</p>
