Seeking to Identify – Homicide Suspect 10th District

About the Crime:

Area Central Detectives are seeking assistance in identifying the below-pictured homicide suspect. On November 1, 2015 at approximately 8:34a.m on the 4000 block of West 31st St a 23 year old male sustained a gun shot in the chest after a male offender on foot fired a weapon before fleeing in a vehicle. The victim was transported to Mt. Sinai Hospital where he was subsequently pronounced.

- Investigation determined the offender fled in a red/maroon late model GMC Terrain. Below is a stock photo of a red GMC Terrain.
