**Narrative:** The above offenders were taken into custody when a search warrant was conducted on a home which operates as a child day center located in 14400 Block of South Kimbark, Dolton, IL. The warrant and subsequent arrests were made on January 07, 2015 at 3:45pm. Upon entry, officers detected a strong odor of cannabis which permeated throughout the building. Officers observed a mason jar containing cannabis in an unsecure area, accessible to children. Very close to the children's play area was a locked room which was found to contain cannabis, codeine bottles, and a loaded handgun. Children were observed in the home at the time of the arrests. No injuries were reported. There is no further information available.
