Death Investigation Assistance

About This Investigation:

The Chicago Police Department is seeking to identify the above-pictured individual. On April 28, 2005, skeletal remains were discovered near the Metra railroad track at 13060 S. Indiana Avenue. Based on multiple factors, the remains are that of a female, white, approximately 13 to 18 years of age. This photo is based on a facial reconstruction done by the FBI and is posted on the Cook County Medical Examiner's Website under case number 435-April-2005

What you can do:

- Call Area South Detective Division at 312-747-8271
- Contact the Cook County Medical Examiner's Office at 312-666-0500, refer to case 435-April-2005
