### Indiana Man Charged With Felony False Report

**Offender:** Cleadus J. Taylor, 33  
1400 block of E. Dayton  
South Bend, IN.

**Charges:** One felony count of Disorderly Conduct – False Report of Offense

**Court:** Central Bond Court, 2600 S. California Ave. – November 6, 2017

**Narrative:** On November 5, 2017, Taylor contacted Chicago Police and reported that at approximately 4:40 p.m. on the 8500 block of S. Cottage Grove, his car was stolen by two unknown offenders while still occupied by an 8-year-old female juvenile. Further investigation by Area South Detectives revealed that Taylor had fabricated the story and deliberately misled Officers regarding the circumstances of the incident; specifically that the car was occupied at the time of the theft. Taylor was placed into custody and charged accordingly. No additional details are available at this time.
