

PREVENT CATALYTIC CONVERTER THEFT

A CATALYTIC CONVERTER IS A CRITICAL COMPONENT OF YOUR CARS EXHAUST SYSTEM AND COST UP TO \$2000 TO REPLACE.

Why do thieves target Catalytic Converters:

- Contains expensive metals
- Takes less than 2 minutes to remove
- Has a street value of \$150-\$200 each

Theft Prevention

- Park in a well-lit area
- Engrave your VIN# onto your Catalytic Converter
- Install a car alarm with a trigger sensor
- Install a Catalytic Converter lock
